

Discover Cosmic Rays

INTERNATIONAL COSMIC DAY

November 13, 2026

Cosmic particles, these unnoticed particles that surround us all the time, are the focus of this day. Students, teachers and scientists get together to talk and learn about Cosmic Rays and answer questions like:

**What are cosmic particles?
Where do they come from?
How can they be measured?
And what can we learn from them?**

Evento GRATUITO aperto a tutti gli studenti del triennio delle scuole superiori trentine. Iscrizione obbligatoria entro il 7 novembre inquadrando il QR-code.

**Il 13 Novembre dalle 14:30 alle 18:30, presso INFN-TIFPA (Povo-TN), userete i detector costruiti a TIFPA per rivelare i Muoni Cosmici.
